

Allgemeine Merkmale

The image displays a heavy-duty truck axle assembly, identified by the Meritor logo and technical specifications. The main view shows the complete assembly, including the central differential housing, two axle tubes, and two wheel hubs with brake components. The assembly is suspended by a chain. The bottom left view provides a close-up of the left end, showing the hub and brake assembly. The bottom right view provides a close-up of the right end, showing the hub and brake assembly. The small inset image at the bottom right shows the Meritor logo and the following technical specifications:

- MODEL: 1300
- OUTER: 1300000000000000
- SER: 1300000000000000
- RATIO: 1300000000000000
- MADE IN ITALY
